

Board of Trustees
Village of Black River, New York

Agenda
Regular Meeting
April 4, 2016

- Call to Order.
- Pledge of Allegiance.
- Approve minutes of the 3/7/2016 regular and 3/28/2016 special meetings.
- Public hearing on 2016-2017 tentative budget.
- Public Comment.
- Code Enforcement Report & review of related correspondence.
- Superintendent's Report.
- Clerk-Treasurer's Report.
- Police Department Report.

Correspondence Received:

- | | |
|--------------------|--|
| A) Kenny Noone | <u>Re:</u> Letter of resignation. |
| B) Dept. of Health | <u>Re:</u> Water system monitoring requirements. |
| C) NYCOM | <u>Re:</u> update on 2016-2017 State budget |

Correspondence Sent:

|----------------------------|-------------------------------------|
| A) Kenny Noone | <u>Re:</u> Service acknowledgment. |
| B) Legislator Phillip Reed | <u>Re:</u> Single stream recycling. |

New Business:

- A) Accept Kenny Noone's resignation.
- B) Authorize re-levy of unpaid water/sewer charges on 2016 Village taxes.

Unfinished Business:

- A) Schedule budget adoption meeting for April 27th.

- Reports From Standing Committees.
- Reports From Special Meetings.
- Authorize payment of bills; adjournment.

Village of Black River
Board of Trustees
Regular Meeting
March 7, 2016

A regular meeting of the Village of Black River Board of Trustees was called to order by Mayor Leland Carpenter at 6:00 p.m. at the Karl J. Vebber Municipal Building.

Present:

Mayor Leland Carpenter
Trustee Corey Decillis
Trustee Randolph Lake
Trustee Gary McCullough
Superintendent of Public Works Steven Lillie
Clerk-Treasurer Kathie Montigelli
Deputy Clerk-Treasurer Kristin Burroughs

Excused:

Trustee Francis Dishaw

Mayor Carpenter led the Pledge of Allegiance.

A motion was made by Trustee Lake, seconded by Trustee Decillis to approve the minutes of the 2/1/16 regular and 2/22/16 special meetings. The motion was carried.

Mayor Carpenter opened the public hearing at 6:01 p.m. on Local Law #1 of 2016 authorizing a property tax levy in excess of the limit established in General Municipal Law Section 3-c.

A motion was made by Trustee Decillis, seconded by Mayor Carpenter to close the public hearing, which had been adjourned from the February 1, 2016 regular Board meeting, on a proposed local law to expand the residency requirements for the positions of Village Clerk-Treasurer and Deputy Clerk-Treasurer to any location within Jefferson County. The local law was not adopted as a qualified Village resident was hired as part-time Clerk in the Village Office. The position will become full-time Deputy Clerk-Treasurer effective June 1, 2016.

Mayor Carpenter welcomed Connie Wonderly, who was hired to fill the above referenced position, noting she will start work on March 21st.

Code Enforcement Report: None.

Superintendent's Report: Superintendent Lillie reported the following:

- streets had been sanded and plowed as weather conditions required;
- all work has been completed on the Rt. 3 pump station;
- he is anticipating delivery of the new truck;
- he has performed a water system leak survey;
- two homes had major water leaks with the water going through the meters; and
- notices had been distributed to several residents who are not complying with garbage/recycling regulations.

Clerk-Treasurer's Report: Clerk-Treasurer Montigelli reported the following:

- she and Deputy Clerk-Treasurer Burroughs are working on drafting a tentative budget for the Board's review;
- the property tax exemption report to be submitted to Jefferson County Real Property has been completed and filed;
- she and Deputy Clerk-Treasurer Burroughs spoke with NYCOM attorney Wade Baltramo regarding oath of office requirements for appointed officials.

A motion was made by Trustee McCullough, seconded by Trustee Decillis to approve a request from the Black River American Legion to hold its annual Easter egg hunt at the Maple St. Park on Sat., March 26th. The motion was carried.

Police Department Report: The Board reviewed Chief Wood's written report. Mayor Carpenter said Chief Wood had received a letter of commendation recognizing his

Village Board
March 7, 2016

action in performing emergency life saving techniques on the victim of a motorcycle accident. Mayor Carpenter presented a Life Saving Award to Chief Wood on behalf of the Village recognizing him for these actions. Chief Wood will present an Honorable Service Award to Officer Kenny Noone recognizing his efforts in assisting with the burglary investigation at the Black River American Legion.

Clerk-Treasurer Montigelli said Jack Dodson, engineer for the Rt. 3 water system project, had given written confirmation to make final payment to PTL Contracting, Inc.

Mayor Carpenter said annual reports have been received from the Black River Ambulance Squad, the Black River Fire Department and the Sally Ploof Hunter Memorial Library. Following discussion, it was the consensus of the Board to include a 2% increase in the annual contracts for each of the above organizations in the 2016-2017 Village budget.

A motion was made by Trustee Lake, seconded by Trustee McCullouch to re-appoint Ronald Palmer to a five year term on the Village of Black River Zoning Board of Appeals. The motion was carried.

Mayor Carpenter closed the public hearing on Local law #1 of 2016 at 6:24 p.m.

A motion was made by Trustee McCullouch, seconded by Trustee Decillis to adopt the following resolution:

Resolved, that Local law #1 of 2016 authorizing a property tax levy in excess of the limit established in General Municipal Law Section 3-c be adopted. The motion was put to a vote as follows:

Mayor Carpenter	Yes
Trustee Decillis	Yes
Trustee Dishaw	Excused
Trustee Lake	Yes
Trustee McCullouch	Yes

The motion was carried and the resolution duly adopted.

Unfinished Business: Superintendent Lillie presented a draft letter he said he would like to see the Board approve requesting that the Jefferson County Board of Legislators implement a County-wide single stream recycling program. The Board agreed that such a program should be implemented. Clerk-Treasurer Montigelli to draft a letter to this effect for Mayor Carpenter's signature.

Reports From Special Committees: None.

Reports From Special Meetings: None.

A motion was made by Trustee McCullouch, seconded by Trustee Decillis to approve payment of the following abstracts: interim abstract dated 2/4/2016 in the amount of \$25,000.95 (General Fund: \$4,023.46 Water Fund: \$1,414.13 Sewer Fund: \$19,413.73 Trust & Agency Fund: \$149.63); interim abstract dated 2/17/2016 in the amount of \$7,832.32 (General Fund: \$7,669.75 Trust & Agency Fund: \$162.57); interim abstract dated 3/3/2016 in the amount of \$8,550.36 (General Fund: \$2,190.72 Water Fund: \$101.06 Sewer Fund: \$5,617.25 Trust & Agency Fund: \$641.33); and regular monthly abstract dated 3/7/2016 in the amount of \$32,897.99 (General Fund: \$6,221.52 Water Fund: \$26,627.92 Trust & Agency Fund: \$48.55). The motion was carried.

A motion was made by Trustee lake, seconded by Mayor Carpenter to adjourn the meeting at 6:39 p.m. The motion was carried.

Respectfully submitted,

Kathie B. Montigelli, CMC, CMFO
Clerk-Treasurer

Village of Black River
Board of Trustees
Special Meeting
March 28, 20016

A special meeting of the Village of Black River Board of Trustees was called to order by Mayor Leland Carpenter at 6:00 p.m. at the Karl J. Vebber Municipal Building.

Present:

Mayor Leland Carpenter
Trustee Corey Decillis
Trustee Francis Dishaw
Trustee Randolph Lake
Superintendent of Public Works Steven Lillie
Clerk-Treasurer Kathie Montigelli
Deputy Clerk-Treasurer Kristin Burroughs

Excused:

Trustee Gary McCullouch

A motion was made by Trustee Dishaw, seconded by Mayor Carpenter to adopt the following resolution:

Resolved, that the 2005 Ford F559 truck be declared surplus equipment and be sold at an asking price of \$20,000. The motion was put to a vote as follows:

Mayor Carpenter	Yes
Trustee Decillis	Yes
Trustee Dishaw	Yes
Trustee Lake	Yes
Trustee McCullouch	Excused

The motion was carried and the resolution duly adopted.

Clerk-Treasurer Montigelli asked the Board to consider the following proposal for payment of the new Ford F550 truck:

- transfers not be made to general (\$20,000) and water (\$15,000) equipment reserves in the current budget instead using the funds appropriated for this purpose directly toward the truck payment; and
- appropriating \$32,000 from the water fund unrestricted fund balance toward the payment.

It was the consensus of the Board to move forward with this proposal.

Deputy Clerk-Treasurer Burroughs presented the 2016-2017 tentative budget for the Board's review and comment. She said the proposed tax rate for the Town of LeRay portion of the Village is proposed to remain at the current rate of \$4.67 per one thousand dollars of assessed value, but that the Town of Rutland tax rate is proposed to increase from \$7.54 to \$7.69 per one thousand dollars of assessed value. She said this is because the Town of LeRay's taxable base increased over one million dollars while the Town of Rutland's taxable base decreased by \$2,000, and also because the equalization rate in Rutland is 62% compared with LeRay's 100% equalization rate. Trustee Decillis said he disagreed with the proposed Rutland tax rate increase, noting it increased last year. Trustee Lake said although he would prefer not to see the rate increase, he does not see an alternative as the disparity between the two towns equalization rates is so great. Following discussion, it was the consensus of the Board to present the budget as prepared at the budget public hearing.

A motion was made by Trustee Dishaw, seconded by Mayor Carpenter to set a public hearing on the 2016-2017 tentative budget for Monday, April 4, 2016 at 6:00 p.m. The motion was carried.

Mayor Carpenter said he would like to see a couple of new decorative, covered garbage cans purchased for the Maple St. Park and possibly some pet waste bag dispensers.

There was discussion of the possible purchase of a new police car. Clerk-Treasurer Montigelli said the Board could choose to make this expenditure from an equipment

Village Board
March 28, 2016
Page -2-

reserve fund.

Mayor Carpenter commended Deputy Clerk-Treasurer Burroughs for doing a good job drafting the tentative budget.

A motion was made by Trustee Lake, seconded by Trustee Dishaw to adjourn the meeting at 7:26 p.m. The motion was carried.

Respectfully submitted,

Kathie B. Montigelli
Village Clerk-Treasurer

RE: CO detectors

Mayor Carpenter and Board: I have enclosed a copy of a letter that was sent to 26 different property owners in the Village in regards to Co detectors that need to be installed.

Board of Trustees

Re; 28525 NYS Rte 3.Parcel number 15.00-3-11.3

To whom it may concern:

This letter is in reference to the above referred address and parcel number and legislation that has been adopted in New York in regards to CO alarms.

The Legislature in the State of New York and signed into law by the Governor Cuomo a requirement that all commercial building as well as apartment building have carbon monoxide alarms installed in them. This is a requirement for all new construction as well as retroactive to all existing buildings.

By receipt of this letter you are hereby notified that your building may be in need of these types of detectors. The cutoff date for the installation of these detectors is June 27,2016. If you should need any assistance in regards to this law and where the detectors need to be located or any other information please feel free to contact me at the Village Office.

Sincerely,

David M. Lachenauer

Dear Chief Wood,

Please accept this letter a formal notification that I am resigning my position as Police Officer for the Black River / Evans Mills Police Department. Thank you for the opportunity to work with your agency. I have enjoyed working with this department. I thought with my schedule change in the City of Watertown I would be more available to work. I seem to be busier with the new hours which leave less time for the Black River / Evans Mills Police Department. I would rather see the citizens of the villages get the service they are paying for and right now I am unable to fulfill that duty with a 40 hour plus overtime a week in City of Watertown. Thanks again and I will do whatever I can to help out in the future if requested.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenny Noone" with a date "2/7/04" written to the right.

RE: Year 2016 Public Water System Monitoring Requirements

Dear Supplier of Water:

The Year 2016 monitoring requirements for your community water system are **attached**. You are responsible for all testing and reporting of analytical results from an appropriate laboratory certified by New York State. **Do not collect samples until your operator has contacted the writer or Mr. Curley.**

Routine daily and monthly monitoring requirements remain unchanged.

You are responsible for preparing and distributing an updated Annual Water Quality Report (AWQR) **prior to May 31st**. Remember to include all sampling data in your AWQR tables that were detected parameters (If you monitor less than once per year for some parameters, you must include the most recent data.). Certification that the AWQR was delivered must be provided **by September 1st**.

This letter and attached sample schedule must be displayed at the water treatment plants and be available for review upon inspection. If you have any questions, please contact the writer or Mr. Curley at (315) 785-2277.

Sincerely,

Michael J. Tracy, P.E.
Public Health Engineer 2

Subject: Update on 2016-17 State Budget

Both the Senate and Assembly released their one-house budget proposals earlier this week. These documents will serve as the basis for negotiations on the final state budget, which is expected to be adopted on or before April 1. We are in the process of assessing all of the impacts of each one-house budget, but we did want to let you know how the Assembly and Senate proposals compare to the Governor's with respect to those issues of greatest interest to cities and villages, including AIM, CHIPS and infrastructure funding.

AIM Funding

The Governor's Budget proposes to keep AIM funding at current year levels, totaling \$715 million for cities, villages and towns, and continues to exclude New York City from the program. Additionally, the Governor's Budget eliminates \$123,000 in Miscellaneous Financial Assistance for the four most recently incorporated villages (Mastic Beach, Woodbury, South Blooming Grove and Sagaponack) and eliminates the additional \$2 million in village per capita aid.

The Assembly Budget provides an additional \$100 million in AIM funding (a 14% across-the-board increase) and restores the \$123,000 for the four most recently incorporated villages and the \$2 million in village per capita aid. The Senate Budget accepts the Governor's \$715 million AIM proposal but restores the \$123,000 for the four most recently incorporated villages, as well as the \$2 million in village per capita aid.

CHIPS

Under the Governor's Budget proposal, funding for CHIPS would remain at its current year level of \$438 million and the one-time \$50 million for severe weather that was included in the 2015-16 State Budget would not be continued.

The Assembly Budget provides an additional \$50 million in CHIPS funding. The Senate Budget increases CHIPS funding by \$40 million.

Other Funding for Local Roads and Bridges

The Governor's Budget proposes a \$22 billion DOT five-year capital plan that includes \$2.5 billion to fund three new initiatives: BRIDGE NY (\$1 billion), PAVE NY (\$1 billion) and the Extreme Weather Infrastructure Hardening Program (\$500 million). The Governor's Budget does not indicate how this funding would be allocated.

The Senate Budget generally accepts this proposal but reduces the Extreme Weather Infrastructure allocation by \$40 million to pay for their proposed CHIPS increase. The Senate Budget also proposes that the PAVE NY money be distributed via the CHIPS formula and that the process used to allocate the BRIDGE NY money provide for local input.

The Assembly Budget “acknowledges the importance of local roads and bridges and supports funding local road and bridge construction through a transparent and non-competitive process.”

Water Infrastructure Improvement Funding

The Governor’s Budget includes an additional \$100 million for the Water Infrastructure Improvement Act which was funded at \$200 million in the current year budget, of which \$50 million has already been allocated.

The Assembly Budget adds \$50 million to the Governor’s increase of \$100 million. The Senate Budget adds \$100 million to the Governor’s increase of \$100 million.

Downtown Revitalization Initiative

The Governor’s Executive Budget includes \$100 million for 10 communities to invest in transformative housing, economic development, transportation and community projects that will attract and retain residents, visitors and businesses. Each of the 10 Regional Economic Development Council’s would be responsible for choosing one community’s downtown in their region.

The Assembly Budget accepts the Governor’s proposal. The Senate Budget did not include this proposal, although the Senate has indicated that they support the concept of downtown revitalization.

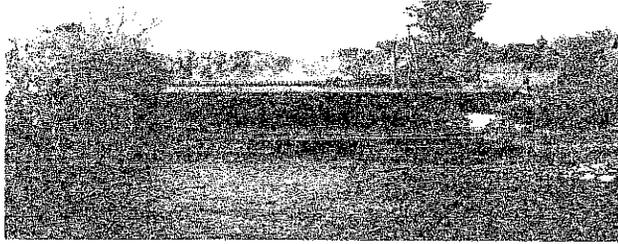

Municipal Consolidation and Efficiency Competition

The Governor’s Budget includes a \$20 million grant for a county, city, town or village that develops an innovative consolidation plan yielding significant and permanent property tax reductions.

Both the Senate and the Assembly rejected this proposal.

We will continue to keep you updated on the status of these and other initiatives as budget negotiations evolve over the next several weeks. If you have any questions, please feel free to contact NYCOM Deputy Director Barbara Van Epps at Barbara@nycom.org.

Philadelphia, New York 13673

Dear Officer Noone:

On behalf of the Village of Black River Board of Trustees, please accept our thanks for your six years of service as an officer in the Black River/Evans Mills Police Department. You always seemed to be in the right place at the right time and were able to assist in some of the more memorable law enforcement events!

Again, our thanks for your service.

Sincerely,

Phillip N. Reed, Sr., District 3 Legislator
Jefferson County Board of Legislators
Chair, General Services Committee
195 Arsenal Street
Watertown, New York 13601

Re: Single stream recycling.

Dear Legislator Reed:

I am writing this letter on behalf of the Village of Black River Board of Trustees to request that the Jefferson County Board of Legislators strongly consider the implementation of single stream recycling in Jefferson County. To provide some background, the Village of Black River has participated in the mandatory County recycling program since its start in 1991 and has collected 2,027.94 tons of recyclable materials through this period. During this time, several changes have been made to the categories of materials that are recycled. Our residents are required to separate recyclables, but often it is not done in compliance with the guidelines. In addition to our Department of Public Works staff collecting the recyclables curbside, they frequently have to perform additional separation to correct problems. While we understand and agree that recycling makes environmental sense as a way to reduce the amount of garbage going into the landfill, it puts the burden on the municipality to collect, separate and transport it to the County. Our equipment is designed to handle what is required, but each time an additional category is added, modifications to our trucks and trailers must be made to accommodate the change.
