Correspondence from Code Enforcement:

The Board reviewed updates from CEO James Holland. The Board reviewed an updated plat map for the proposed subdivision on Maple Street from Stephen Jellie. In a memo, CEO Holland informed the Board that Glenn Litz had hired a logging company to remove trees from property along Route 3. The logger was told that the project would need approval from the Planning Board and the equipment was removed shortly thereafter. CEO Holland agreed with the proposed solar code that was presented to the Village Board for their consideration at the May 6, 2019 meeting.

The next meeting was scheduled for June 11, 2019 at 6:30 p.m.

A motion was made by Board Member Hoering, seconded by Board Member Hayes to adjourn the meeting at 6:42 p.m. The motion was carried.

Respectfully submitted,
