BLACK RIVER FIRE DEPARTMENT

2019 YEAR END REPORT

For the year 2019 we responded to a total of 117 calls for service. Of these calls, 55 were in the Town of Leray (Black River protection district), 46 in the village of Black River and 16 calls for mutual aid to other agencies. These calls generated a response of 534.61 man hours to handle the incidents.

Currently we are in the process of evaluating our apparatus line and determining a vehicle replacement schedule. Our ladder truck is currently the oldest apparatus and per NFPA recommendations, it is due for replacement. As a committee we are exploring our best option for a replacement as it is a costly vehicle to purchase. The following are the current ages of our fleet:

Engine 1- 2005 Seagrave Rescue Pumper

Engine 2- 1994 Pierce Pumper

Truck 1- 1990 Spartan LTI 75' Ladder truck

Utility 1- 2010 Ford F250

I would like to thank both the Town of Leray and the Village of Black River for their continued support. Without the support of our municipalities and the tax payers we serve, our job would be very difficult.

Sincerely,

Matthew Carpenter
Fire Chief

Black River Fire Department, Inc.

Chief Wood,

Please accept this letter as my formal notification that I am resigning my position as a police officer for the Black River / Evans Mills PD. I have accepted a job with the Village of Dexter which would put me closer to home and save me travel time back and forth to work. I appreciate everything that you and the village have done for me over the past nine years and I have enjoyed every bit of my time here. I have had a lot of fun working in both villages and enjoyed making friends with all of the employees in both villages. If you ever need assistance in any way feel free to reach out to me and I will be happy to help. Please express my gratitude to Mayor Carpenter and the other board members for allowing me to be a part of a great community.

Respectfully Submitted,

To whom it may concern;

The Village of Black River is interested in purchasing parcel #s 75.48-1-2.4 and 75.48-1-2.5 for the amount of \$34,000. The Village Board approved the purchase at their February 3, 2020 meeting. We are interested in utilizing the property as a potential future well site. If the church agrees to the sale, the village will be able to make payment on June 1, 2020 when we begin our new fiscal year. Thank you for your consideration.

Sincerely,
