Some notes about our summer recreation program

Our program is a drop-in program which means children may sign themselves in and out.

Staff can not administer medication. Medication can not be kept on the premises with the exception of an epi pen that a child can administer him/herself.

The library will not be participating in the free lunch program this year so children will need to bring lunch with them if they will be staying the full day.

Children must attend the program at least half of the days in order to have their admission paid for the Enchanted Forest Water Safari Trip.

If you have any questions you may contact Paula Bears or Alexis Barney at 315-773-4186 or the Village Office at 315-773-5721.
