

The Town of LeRay – wants to hear from you!

TOWN OF LERAY

COMPREHENSIVE PLAN COMMITTEE

OPEN HOUSE/PUBLIC MEETINGS

Two locations/times:

Town Offices in Evans Mills from 5:00 to 6:30 pm,
and/or

Black River Fire Station from 7:15 to 8:45pm

DESCRIPTION: The Town of LeRay Comprehensive Plan Committee is holding an open house (in two locations) to solicit input from the citizens of LeRay regarding the proposed comprehensive plan update process.

Participants may attend at a convenient time at either location to discuss and offer suggestions on the various topics. Brainstorming issue sessions will be conducted to engage community strengths and opportunities, as well as public priorities, areas needing attention and to identify special areas.

Several Stations will be set up to illustrate progress to date on the Plan Update, including the draft results of the LeRay Community Survey completed in August.

Thanks in advance for your input! After all, the goal is to gather the public's ideas and preferences about future development in the Town and the planning process.

Covid 19 protocols will be followed.

Save the Date: Thursday, October 21, 2021
